Technical Data

Deburring unit

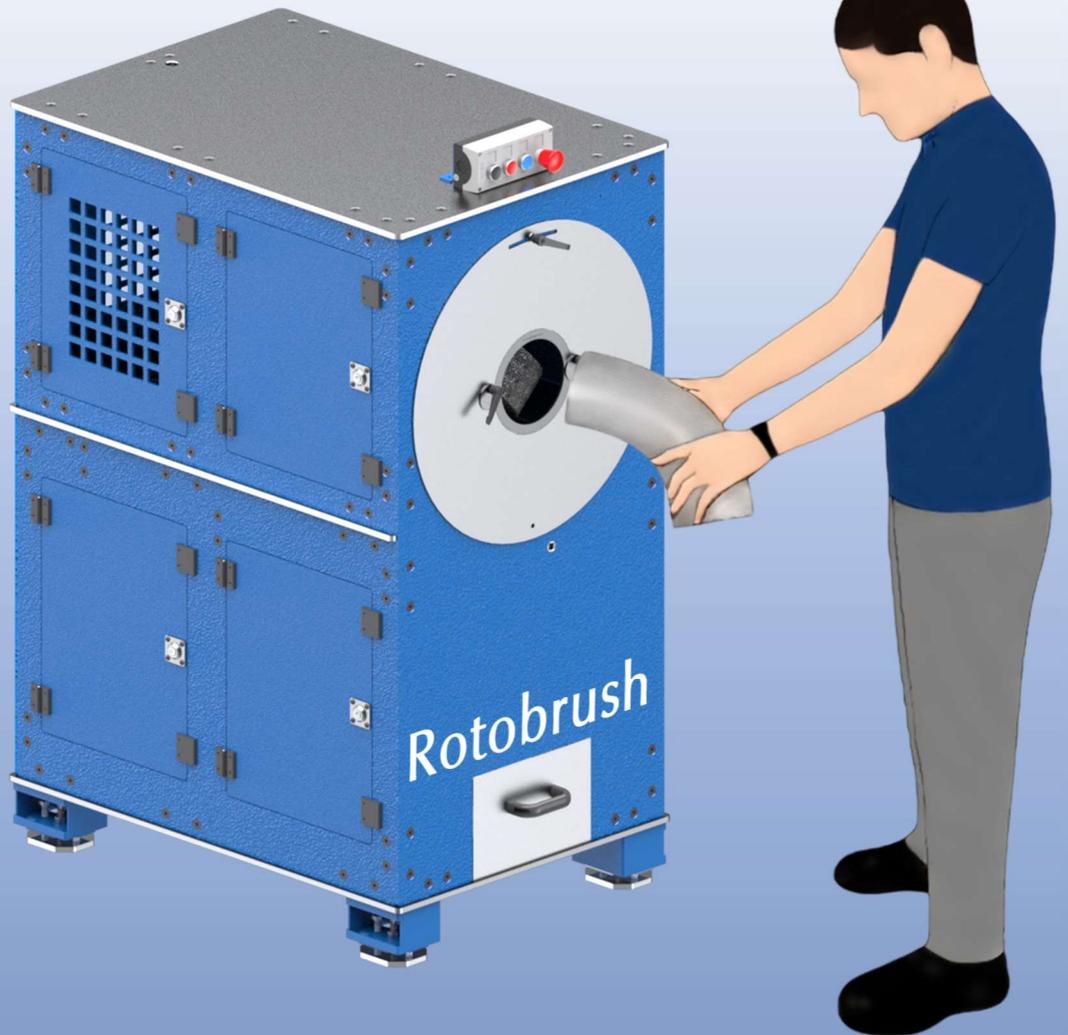

Tube diameter	20 – 160 mm *
Linear adjustable wire brush	0-75 mm *
Pipe center point eccentrically movable	±6°
Round brush	Ø250 + 100 mm *
Mean cycle duration	~3 s

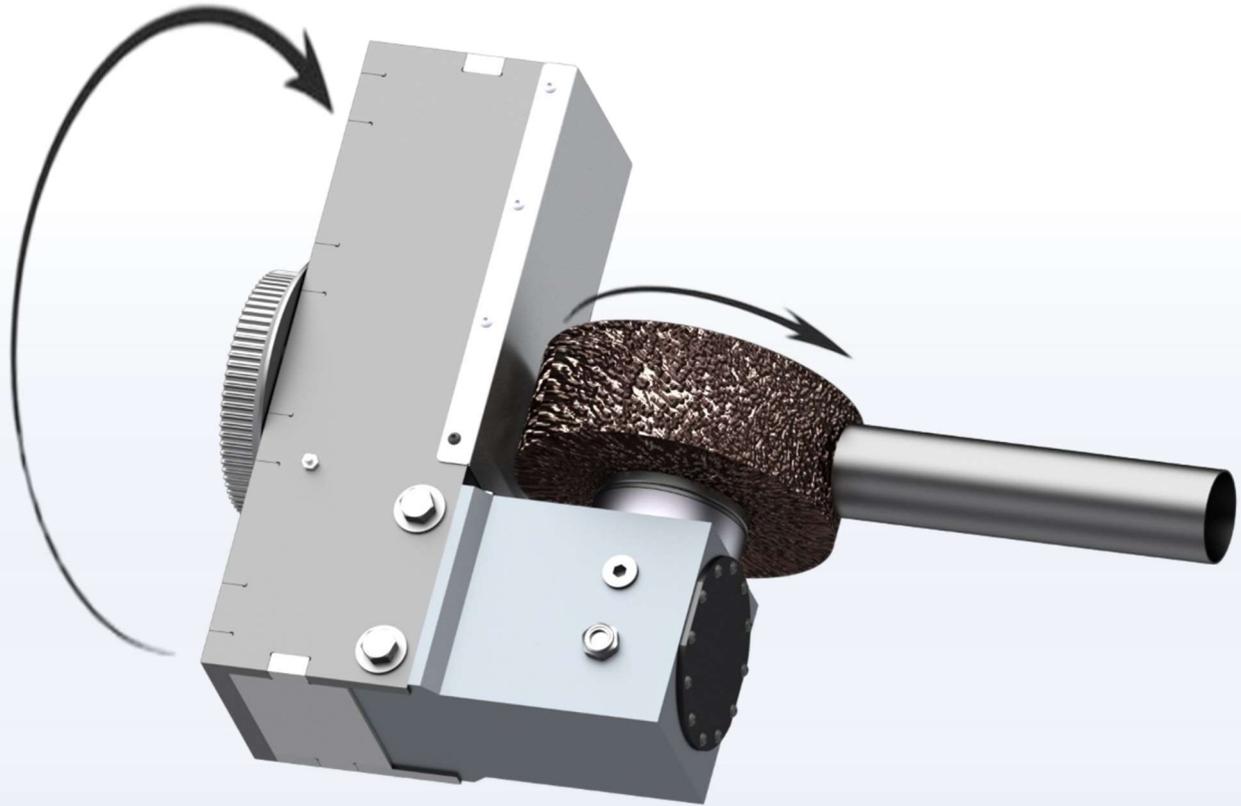

Electrical equipment

Connection data	400V / 50Hz / 3L N PE
Control	Siemens
Motor rotating frame	0.25 kW
Motor brush	4 kW

Machine features

Heavy-Flex universal housing
Format-dependent exchangeable safety plates
Dimensions: L = 1050; W = 700; H = 1520 mm
Emission sound pressure level 78 dB(A)
Housing colour: RAL 5010 gentian blue
Weight ca. 300 kg
